#### **New Business:**

As a group w reviewed the sliding rule rates for services we provide as a Faith in Action group.

Cyndi gave us suggested rate increases by income level, which we will review and Cyndi will report back in November to give us an idea of what kind of income these rates changes would bring in as extra income to our yearly budget.

Next board meeting for Faith in Action will be November 19<sup>th</sup>, 2019 at KMTelecom office.
