**Old Business:**

Confirmed that \$2500.00 more was transferred to our Edward Jones money cash account by end of September, so we would start out the month of October with an estimated budgeted level of \$8500.00 (the \$7500.00 from the Southern MN Initiative Foundation plus \$1000.00 regular checking balance amount)

Cyndi reported that the new office hours of 8:00 to 10:00 am are not necessarily working out, but we will let Cyndi adjust her schedule as best as she can to make everything work.

We discussed raising the housekeeping rate from \$35.00 to \$50.00 for each extra cleaning done after one by any volunteer, but we feel that this is NOT necessary at this time. We should use up the \$1000.00 grant for housekeeping that was from Southern Mn Area Agency on Aging by end of 2020 year.

We will get quotes to put an **ad** in the Dodge Center messenger & DCI twice a month to promote our Faith in Action group – etc **“Senior Citizens Do You Need a Little Help?”**

Lynn Knutson applied (and was approved by Thrivent) for a Thrivent team action grant to buy 500 new brochures at DCI. Thank you Lynn! We are also looking to use Thrivent funds for new Tshirts once we get quotes back. Troy is looking into this for us.

Carol & Jeremy are working on submitting a senior survey to Dodge Center churches . We will see how the response is after they submit to a couple of churches to see if we will procede with the other churches in the area.

In October Lynn is invited to meet with the Dodge County pastoral group. Just another way to get more people aware of Faith In Action.

Don Conway had a zoom meeting with Lynn & Cyndi about Care Partnership with Elder Network on dementia care giving.
