Not enough for a quorum were present, so no actual meeting held.

Jeremy & Lynn will call all volunteers on our list to see if we can get more of them to help with our transportation need.

Jeremy will put in the Dodge Center Messenger a plea for more Faith in Action volunteers for transportation.

Lynn was going to check with Hayfield Fire Fighters about their Hay Days in July, just to see if possibly Faith in Action could set up their stand this year.

Kelly Kelly will be doing our 2nd Newsletter that will be sent out in May. Please get any articles to her, so she can compile this information.

As a board we are asking all of our Board members to recruit a new volunteer to join our Faith in Action group by next month to see if we can get more involved with transportation.

Next Meeting is set for May 27th, 2021 5:15pm at the Kasson Park if weather is nice or we will inform of another location before the meeting date
